

We wrap up 25 years of marvelous science and trade secrets from our parent company, Polyseam, to deliver premium paint that's made in Britain, straight to your door.

Our paints are available in 4 sizes, a Painthouse pal to help you see the true-colour in the flesh, a tester tube to try before you buy, and full-size product available in 750ml and 2.5 ltr tins.

To order, simply click on your colour choice, select your size and add to your basket.

Visit us at [painthouse.co.uk](http://painthouse.co.uk) for inspiration, colour chat and for guidance on how much to order for your project.

Disclaimer - Painthouse colours may have a slight variation depending on your surroundings and the amount of light in the room etc. Advice on this card is to be used as a guide only, as application and site conditions are beyond our control. We recommend using a 100ml tester to ensure your preferred colour is the perfect match.
